

Mas le Chene

Villa in Provence for 8 - pool, summer kitchen, sunny garden

Lazy days by the pool, read a book in a shady corner of the garden, a long lunch on the terrace

About Mas le Chêne...

Picture your perfect villa in Provence, and there's a good chance it will look like Mas le Chêne.

Built in warm stone, with shuttered windows, and surrounded by olive groves, vineyards and orchards, it's the perfect place for a group of family or friends to spend a relaxing holiday.

Imagine sunny days around the pool, or outside of the main Summer season, relaxing in the wood-fired Scandinavian hot tub, before a simple lunch of local bread, cheese and wine on one of the many sunny terraces, or shady spot to be found dotted around the property.

The charming village of Cotignac is just 3km away, and has a good choice of restaurants, cafes and bars. There's also a butcher, baker, fishmonger and a great market - everything you need to live like a local.
